Before the beginning of time, God had a plan, a purpose, and a destiny for Harvest Fellowship Church (HFC). On Saturday, June 15, 1996, in an instant, God birthed HFC in the heart of Pastor Mark Haney. In that miraculous moment of destiny, Pastor Mark was stirred with passion for the people of this area and received the vision for HFC (Matthew 9:36-38). The vision was to plant a New Testament Church that was healthy in worship, ministry, evangelism, and discipleship. HFC started in April, 2000 with a few people meeting in homes and then in Pastor Mark and Jada's garage. HFC quickly outgrew them all!

Due to the blessings of the Lord and the growth of HFC, a vacant storefront building was purchased at 419 Main St. in Leedey. The building was previously the NAPA Parts Store. The building needed lots of repairs and remodeling. After completing the renovation, the first worship service in the building was held February 25, 2001.

In March, 2003, because of the blessings of the Lord and the continued growth of HFC, 8.11 acres of land located South of Leedey, with State Highway 34 frontage, was given to the church to build on. The construction of HFC's new worship facility began in November, 2006, and the first service, upon completion, was held December 28, 2008.

Since the humble beginnings of HFC, God has been faithful to HFC in remarkable ways! The HFC family is very grateful for the blessings while looking forward to the exciting things He has in store for the future!

Harvest Fellowship Church is proud to proclaim that The Lord Jesus Christ is the Head of their church, and their complete loyalty is to Him! It is their prayer that everything accomplished at HFC will bring glory and honor to His Name!

Harvest Fellowship Church is an Executive Member of Trinity Fellowship Association of Churches (TFAC), in Amarillo, TX. TFAC is a non-denominational network of churches in the five-state region surrounding Amarillo.
